ERGSS

PREPARE · RESPOND · RECOVER · MITIGATE

EXECUTIVE PROTECTION AND TRAVEL SECURITY

Protecting Executives, Staff and Students Wherever They Work and Travel

Duty of care now reaches every trip, project site and public appearance. ERGSS assesses the risk, plans the travel, tracks your people around the clock and, inside the United States, provides protective detail support.

Who we serve: Companies, family offices, foundations, universities and NGOs with people traveling or working abroad or facing public threats

WHAT ERGSS DELIVERS

ERGSS Global Watch

24/7 traveler tracking with check-ins, SOS and location-based threat alerts, run by your team or monitored by ERGSS.

Travel risk assessments

Country and itinerary security assessments for executives, staff and programs.

Itinerary security planning

Movement, lodging, medical and evacuation planning for each trip.

Executive protection program review

Assessment of an existing protection program against current threats and disclosures.

Protective detail support (US)

Protective and former military professionals from the ERGSS cadre for details within the United States.

Crisis and evacuation plans

Country crisis response and evacuation plans for staff and projects abroad.

WHY ERGSS

- Cadre includes security professionals with domestic and international experience.
- Planning, assessments and monitoring delivered worldwide; protective staffing provided within the US.
- Global Watch keeps the duty-of-care record your organization needs.

RELEVANT PAST PERFORMANCE

- **National Electric Utility, Malawi.** Business continuity training for the country's sole energy utility.
- **Fidelity Investments.** Incident Command System instruction for corporate staff in Boston, Massachusetts.

A 20-minute call on where your people are going and what cover they need.
