SHORT-NOTICE STAFFING

Incident Management Team and EOC Augmentation

When an incident outgrows local staff, ERGSS fields experienced people fast: incident management team members, EOC section staff, GIS analysts, recovery documentation staff and on-site medical and fire support, in the US and abroad.

Who we serve: State emergency management agencies, counties, cities, tribes, health systems, utilities, event organizers and companies

WHAT ERGSS DELIVERS

IMT members
Command and general staff and unit leaders with all-hazard IMT experience.

EOC augmentation
Planning, operations, logistics and finance/administration section staff.

GIS and data analysts
Mapping, situation status and dashboards during activation.

Recovery documentation staff
Staff to start Public Assistance documentation during the response.

Medical and fire support
On-site medical and fire support for projects, events and deployments.

Planners and evaluators
Planners and HSEEP evaluators for exercises and after-action work.

WHY ERGSS

- Cadre members have served on FEMA IMATs and Type 1, 2 and 3 all-hazard IMTs.
- Fielded on short notice, in person or remote.
- One point of contact for the whole deployment.

RELEVANT PAST PERFORMANCE

- **Dallas Fort Worth International Airport.** Pandemic preparedness plan, among the first at any international airport, validated through tabletop and functional exercises; COOP planning and EOC management support.
- **Florida Power & Light.** ICS-300 and ICS-400 training reinforced with tabletop exercises for utility personnel.
